Giesen Gemstone | Marlborough | 2022 ✓

This has the most intriguing scent of pear and quince with a slightly earthy / funky / apple skin note. It's a little spritzy in the palate with apple sherbet and pineapple dominant tropical fruit with a touch of sweetness balancing the refreshing acidity and an apricot hint to the lingering finish. What's unusual about this wine is fermentation and maturation in granite rock tanks.

Rimu Grove | Nelson | 2018 ✓

Micheal Cooper 4-Stars "The tightly structured 2017 vintage is pale yellow/green, with a scented bouquet. Slightly austere in its youth, it has good intensity of vibrant, lemony, appley flavours, gentle sweetness and firm acid spine."

8 12 55

Neudorf Rosie's Block | Nelson | 2023 ✓

95 Points, Stephen Wong. "Clear, pale yellow. Subtle sunny, red apple aromas, spicy citrus, a hint of vetiver and a mineral edge. Restrained but powerful, the palate is concentrated, focused and structured, with a distinctly sunny, tangy citrus/apple character. Dry, full-bodied, weighty but restrained with a feathery phenolic texture. Unevolved and very young with a complex, rocky but currently reticent finish."

9.5 14 65

Seifried Sweet Agnes | Nelson | 2019 ✓

Intensely scented with notes of candied citrus peel, fresh cut spring blooms and summer stone fruit. The palate has fine mineral acidity to cut through the fruit characters of dried apricots and marmalade.

Moutere Hills | Nelson | 2022 ✓

93 Points, Cameron Douglas. "A lovely wine in an off-dry expression. Aromas and flavours of green apple and lemon pith, honeysuckle and lime-flower. The sweetness is perfectly placed against a backdrop of acidity and ripe citrus and apple flavours. Balanced and well made, crisp and lengthy, a great aperitif style for Summer 2024. best from 2024 through 2030.."

55

Peregrine | Central Otago | 2022 ✓

93/100 David Walker Bell, Wine Folio. "A translucent golden yellow in the glass. Vibrantly perfumed with lemon zest, green apple, grapefruit, pear drops and honeysuckle. A light spritz on the tongue into the palate – where a sense of lemon sherbert and lime curd develops, helped a briney acidity carrying the waves of pure fruit flavours through. Quite clean, pure and intense, but by no means simple. A little minerality emerges, and towards the finish there is a waxy texture adding more complexity. The finish is very long, dry and lip-smacking."

55

Zephyr | Marlborough | 2019 ✓

93/100, James Suckling. "This has such attractive and punchy ripe peaches and limes. Some flinty notes on the nose, too. The palate delivers scintillating acidity and plenty of fruit depth."

The bouquet is an alluring potpourri of zesty citrus and green apple, interwoven with spice, perfume, floral notes and a mineral core. 75

Valli Waitaki | Central Otago | 2013

Grant Taylor "Bursting with floral stone fruit notes: white peach, nectarine and honeysuckle. A little residual sweetness makes entry on the palate rich and full, but this is immediately reigned in by the region's characteristic acidity. The palate becomes a battle for dominance between acidity and sweetness, which seems to go on forever carrying flavours with it."

On the nose you are immediately assailed with a blackberry black cherry and dark plum combination. But then the palate. Yes, it's intense and concentrated but there is almost an effortless big easy about it. Fine chalky tannin and a little sweet fruit, white pepper and a sprinkle of spices adds to further to the sensation. It's still so tightly held and extended cellaring would pay off handsomely. Cellar: 30 years. Drink: 2023-2053."

It is intense, dark, and elegant with sweet floral notes, leather, wild black berry and dried herbs. At nine years of age it is still youthful and vibrant age rewards!

Thelema Mountain Vineyards Rabelais | Stellenbosch, South Africa | 2019

Te Mata Coleraine | Hawkes Bay | 2021

100/100, Sam Kim. "The 2021 Coleraine exhibits a commanding presence and majestic poise. The bouquet reveals classic aromas of cassis, dark plum and violet with whispering nuances of cedar and cigar. There are hints of warm spices, compounding the pleasure upon inhalation. The palate is bold and graceful at once, enhanced by plush texture and multi-layered mouthfeel, beautifully framed by refreshing acidity and fine chalky tannins. Robust and substantial with a great line and length, which seem to go on to infinity. This youthful wine is already impossible to resist, but time will reward those who can wait."

320

Moss Wood Cabernet Sauvignon | Margaret River, Australia | 2020

There is a concentration of all features which make this a classic, low-crop Moss Wood Cabernet Sauvignon, which in many ways, takes us all the way back to 1981. A full-bodied wine, there are generous blueberry and blackberry flavours, as well as dark, chocolate, coffee and licorice that fill the mid-palate. They sit over a structure of fresh acidity and concentrated tannin, making the wine bright, long and, for Moss Wood Cabernet Sauvignon, quite taut.

330

Stonyridge Larose | Waiheke Island | 2011

Aromas of concentrated cassis and plum characters combine with the lifted violets to give more of a right bank style Bordeaux blend, an indication of the significant Merlot proportion in this particular Larose. The oak integrates to provide pencil shavings and mocha notes, and supports the fruit weight harmoniously. The wine has a firm structure and is quite tight at present from the natural acidity. This balances and accentuates the ripe tannins as well as giving length to the sweet fruit through the mid-palate.

390

L'Aventure Cuvee Estate | Paso Robles, USA | 2019

100 points Jeb Dunnuck "Pure perfection from Paso Robles California, the 2019 Estate Cuvee checks in as 50% Syrah, 45% Cabernet Sauvignon, and 5% Petit Verdot that was raised in 81% new French oak. Incredible cassis and black berry fruits as well as violets, chocolate, graphite, and who knows what else emerges from the glass, and it hits the palate with full-bodied richness, a concentrated yet weightless mouthfeel, building tannins, and a great finish."

399

Spottswoode Cabernet Sauvignon | Napa Valley, USA | 2015

100/100, Wine Advocate. "The 2015 Cabernet Sauvignon is deep garnet purple coloured with a mind-blowingly gorgeous nose that defies words: warm cassis, red roses, sandalwood, indian spices, crushed rocks, menthol and iron ore with waft of lilacs and truffles. Medium to full bodied with a rock solid frame of super ripe, grainy tannins and tons of freshness, it finishes incredibly long and remains incredibly provocative."

600

Cabernet Sauvignon, Merlot & Blends

Bottle

Esk Valley the Terraces | Hawkes Bay | 1998

Deep, dark, almost opaque, ruby-red in color. At first menthol aromas overlay high-toned, spicy red-fruit. There are also cedary aromas, forest-floor & dairy notes. The nose opens to show dark-cherry aromas & coffee. The palate is silky-smooth, warm & ripe with mouth-filling black-cherry fruit & sweet spices surrounding a dark-licorice core. Fresh acidity enlivens the fruit & warming alcohol rounds out the finish, which gains spice & cedar notes, ending with black-fruit and hints of coffee.

600

Silver Oak Napa Cabernet Sauvignon | Napa Valley, USA | 2013

The 2013 Silver Oak Napa Valley Cabernet Sauvignon has a gorgeous and rich ruby red color with some blue highlights. This is a dense and structured wine that is entering adolescence with interesting but somewhat reticent aromas of black cherry, cassis, coffee bean, vanilla and loose pipe tobacco. Its entry is massive and wildly rich, smooth and creamy. There are baking spice and black pepper flavors throughout the mid-palate and while the structure is dense and tightly wound, there is excellent balance with no piece out of place. The finish is long and has fantastic length. This wine has a lot of potential. No sediment noted. As noted, this wine has shut down at the moment.

600

Inglenook Rubicon | Napa Valley, California | 2018

97 points, Decanter "A lovely enticing nose filled with rich plum, fig and blackcurrant fruits - heady and opulent. The palate is precise with a distinct texture, certainly dense and ripe but the flavours just settle on the tongue giving spiced touches of liquorice but allowing the freshness and acidity to underpin the overall taste."

650

Joseph Phelps Insignia | Napa Valley, California | 2018 | BD

99 points, James Suckling "Blackberry and black chocolate with mint, conifer and clove. Sweet tobacco, violets and flowers, too. Some graphite. Cool and complex. Full-bodied with ultra fine, dusty tannins and a wonderful, extremely long finish. One of the best Insignias ever!"

Teeling Single Malt | Dublin, Ireland

The nose is vibrant with notes of melon, figs, toffee and lemon. A balanced mix of dry fruits, citrus, vanilla, spice and cloves on the palate and a long finish with sweetness in harmony with dry tannins from the wood. 22

Bruichladdich Port Charlotte | Isle of Islay, Scotland

Notes of iodine, salty canvas, crushed sea shells, charred oak staves, black pepper, paprika and leather tobacco pouches. The second wave brings vanilla, figs and soft plump dates, marinated pear, freshly milled malt, dark sweet toffee and cracked walnuts. It is potent, focused and the flavours explode brilliantly on to the palate. Full of depth and complexity, the smokey sweetness of the barley contrasts with the richness of toffee and vanilla. 26

The Dalmore 12 Year Old Single Malt | Alness, Scotland

The spirit is initially matured in American white oak ex-bourbon barrels, giving it a base of soft vanilla and honey notes. A proportion of the spirit is then transferred into the finest Sherry casks, some of which have previously held rare and aged Oloroso Sherry. These carefully curated casks enhance the whisky's rich character. 26

Lunatic & Lover Botanical Barrel Rested Rum | Auckland, New Zealand 26
Silver botanical rum is put away to rest in ex-Bourbon barrels for a few months to coax a little magic from the wood. Some of the lighter, more ethereal aromas take a back seat as the spirit absorbs vanilla and caramel flavours from the charred American Oak as well as tannin to give body and structure.
